**Re: Letter of Appreciation – E.K.G. Security Deal Team**

**Dear Mr. Kamin:**

**With the help of Generational Equity, we have completed the successful sale of our company.**

**We signed on with Generational Equity in February 2013 after going to the seminar to learn about what Generational Equity can do for us and Randy Kamin did a very good job at explaining. After the seminar Randy met with us a few days later at our home on a Saturday. After meeting with him for several hours discussing the processes by which Generation Equity go through to reach a final sale of the business, we felt very comfortable with Randy and Generational Equity. At that point we signed on with them to market our business.**

**Within days we received a call from Deborah Rees, she is the valuation expert. She guided us through what we needed to provide her so she could put together a fair evaluation of our company. She prepared the initial documents and offering memorandum and over the course of 2 ½ years as our business grew and valuation changed Deborah updated the sale documents at least 3 times. She was invaluable in the process.**

**Our local sales rep. with Generational Equity was Loren Schmerler. He met with us initially in the process and worked tirelessly through the process dealing with numerous interested parties, negotiated numerous letters of interest. Throughout the process and through closing Loren was very important part in the eventual sale of our business.**

**Generational Equity did a great job at marketing E.K.G. Security Inc. And did exactly what they said they would do.**

**Sincerely,**
