Dear Loren,

I would like to offer you this testimonial letter and please feel free to use it in any way you deem appropriate. I am very satisfied with the services your firm provided and would be glad to speak with any of your future prospects to share my experience.

You will remember when we first met that I was overwhelmed with success due to my plumbing business growing rapidly and beyond my wildest expectations. I did not have a partner to share the responsibilities, and the potential for future business was limitless.

When you couple this with the fact that I was operating out of the location of my other business, it put a severe strain on time constraints. I know that I pushed you to find a buyer quickly to regain my quality of life. You always attempted to accommodate me by being available daily and nightly regardless of the day of the week.

When we finally found a buyer, you helped keep the negotiations on track despite several potential roadblocks.

Thank you again for helping me regain my freedom.

Sincerely,

Alex Maldon
